INTEREST BASED ADVISORY INFORMATION

This Spring WMS students will be participating in Interest Based Advisory of their choice. The groups will meet during the regular Advisory time for seven weeks, starting on April 3rd.

Sign Up Details:

- The SignUpGenius sign up link will be sent to families via email on Tuesday, March 14 at 5:00pm.
- The Media Center Computer Lab will be open for students to sign up on Wednesday, March 15 starting at 7:35am
- if needed.
- Spaces will be filled on a first come first serve basis.
- Students may sign up for ONE Advisory group.
- Students that do not have internet access should contact their school counselor to make necessary arrangements
- prior to Tuesday, March 14th.

- Students have been invited to sign up for the REMIND message services so that they can receive updates on
- the signup process and other Advisory messages. Remind is a one-way texting service to send messages to students. If you would also like to receive the REMIND Advisory messages, send the message: @2017wmsiba to: 81010
- If you have any questions about Interest Based Advisories, please contact Jamey Mills at 651-425-4535, jmills@sowashco.org

Listed below are the Interest Based Advisory Groups offered with a brief description

ANIMAL PLANET -

Learn more about the wonderful world of animals, both wild and tame! We will be watching fun animal videos, sharing about your own pets and feeding classroom pets.

ANIMATED & LIVE-ACTION SHORTS - Shorts are movies - just shorter. Come see a variety of shorts (movies), watch them, think about them, talk about them but mostly, enjoy them.

ART CLUB

- The Art Club provides materials (drawing, painting, computer, and ceramics), instruction and support for those students who are seeking a creative outlet in addition to their academic schedule.

BLACK AMERICA POST MLK

- Class will follow the PBS documentary Black America Since MLK: And Still I Rise - Part 1 & 2 and have thoughtful discussions regarding the content.

BOARD GAMES

- Come play board games of all kinds. Games provided, but feel free to bring your favorite game, too.

BUNCO

- BUNCO is a fun dice game based on luck. It takes only minutes to learn and no experience is needed. The game is played at tables of four in teams of two, but the teams change each round, so you will play with many different partners.

CALLIGRAPHY & LETTERING

- Learn to make your lettering fancy --different kinds of calligraphy, cursive, and lettering!

CARD GAMES

- Card club is for students who want to play traditional card games, trading card games as well as collecting and trading cards.

CHOIR

- Students will rehearse two upper level pieces to take their musicianship to the next level with a possible performance and/or recording session on the final week. Serious

inquiries only.

CLASSIC VIDEO GAMES

- GAME ON!!

COLORING

- Do you live in a colorful world? Do you look at worksheets/classroom activities and say, "man this could use some color to make it more interesting". If you do, we have an advisory for you! Coloring advisory let's you make your world a colorful place!

COMPUTER GAMES

- Do you like to play Minecraft or other computer games? If so, then this is the advisory for you.

CROCHET 101

- Ever wonder how those awesome scarves, blankets and hats are made? Learn basic crochet stitches and create fun crafts in the process. No experience necessary.

CROP & SEED ART

- Create something fun and enter it in the Minnesota State Fair! A popular and growing fad at the MN State fair since 1966, crop art uses seeds and beans to create art in a mosaic style.

DANCE

- Let's Dance! Come learn some new moves from Just Dance as well as learning and choreographing dances of your own!

DEAR TIME

- Come on in to read, relax, and hear about new books!

DODGEBALL

- Dodge, Dip, Dive, Duck, and Dodge. Need we say more!

FLOOR HOCKEY/OTHER PE GAMES

- Primarily a variety of floor hockey style games. Weather permitting, some days will be outside with other games.

GET YOUR BODY MOVING

- Get your body moving with dancing, stretching, fitness routines, etc.

ORIGAMI

- We fold for fun! We welcome students that are new origami, as well as those who have been doing origami for years. Come join us as we strive to show the artistic and technical potential of paper!

OUTDOOR GAMES & FUN

- Play games outside and have fun! Four square, kickball, hopscotch, jump rope, tag, yard games, etc.

PAINTING A LANDSCAPE

- Paint landscapes! This class will introduce you to the basic techniques of the masters. We will study light and color to create a landscape using acrylic paint on canvas board.

POPS BAND

- We will play fun band music, including popular music, Disney, movie, and Broadway music. (Students need to already play a band instrument or play violin, cello, or bass.)

RELAXATION TECHNIQUES

- We will use a variety of relaxation techniques that can help children reduce stress and relax. Included in these techniques is exercising, deep breathing, laughing, listening to music, stretching, visualization and journaling.

STUDY/HOMEWORK TIME

- Looking for a space to study for upcoming tests and prepare for your week ahead? Study time is the perfect club for scholars who are looking to go the extra mile in their coursework!

THEATRE IMPROV

- Over the course of this interest based advisory we will play theatre and improv games, work on short scenes, think and perform on our feet in the moment!

TRIVIA CLUB

- Each week we will hold a trivia competition based on categories decided on by our advisory. You will keep score and at the end of our interest based advisory, prizes will be awarded to the top competitors!

VARIETY CLUB

- Activities will vary from week to week!!! We will play games, watch movies, read, color, go outside, etc!

WORLD TRAVELERS

- If you love exploring and learning about different cultures, come to World travellers Club and go on adventures around the world. Join us if you'd like to share your travelling experiences or tell us about the country you come from!
