Schoology is an online learning platform that helps students, parents and teachers coordinate learning.

Spotlight on WMS

At Woodbury Middle School, each grade is divided into “houses,” in which a core group of students is aligned with a core group of teachers. WMS offers a comprehensive curriculum and a community that fosters a culture of excellence in academics, character and global citizenship. WMS is an Advancement Via Individual Determination (AVID) National Demonstration School. The AVID program helps students develop organizational skills and study habits so they can be successful students. WMS also continues the district’s K-12 Spanish Immersion Pathway.

Technology is an important part of learning at WMS, so each student has access to personalized online learning software. Along with academics, there are many extracurricular and leadership opportunities at Woodbury Middle including athletics, music, theater, robotics and service-learning clubs. All students are encouraged to explore their interests and become involved in their school.

“ ”

“Students at WMS feel a strong sense of belonging that is driven by students and staff working together to dismantle barriers to success. At WMS every student matters. That collaboration fosters a culture of excellence in academics, character, and global citizenship.”
