## **6TH GRADE OPEN HOUSE INFORMATION**

Here are some important reminders for this event. Make sure you know which house your child is in before you come to Open House. The majority of your teachers will be at the House presentation and you will meet your child's teachers there not in their classrooms. At the end of the presentation there will be some time for questions. We will be handing out this attachment the night of Open House so you don't need to bring a copy. Please note that you can be here for 30 minutes or the whole evening, it is up to you.

For those of you that are unable to attend Open House we will be sending out a video or presentation sharing what they did this evening.
